Message from Mrs Brogan

My word of the week is '**PROUD**'. The children have showed so much pride in their artwork, producing such beautiful work ready for frames and the celebration of colour event. Being assessment week, they have also dug deep and worked so hard - we are all so proud of our children!

We have had Shumaiza's (reception) sister and cousin in this week teaching some of the children about Ramadan and Eid. They made lanterns with the children and treated some of the teachers to henna tattoos. The children were so absorbed in the learning and craft activity - thank you to them for visiting us.

Next week, we will be focusing on 'neurodiversity' as it's national neurodiversity week. The children will have the opportunity to share their homework around 'what makes me, me!' (optional).

Have a lovely weekend and enjoy doing the things you love.

Our GOLDS this week are...

Nursery - Rupert P
Reception - Noa, Jude & Isabella
Year 1 - Mia & Marla
Year 2 - Jed, Grayson & Freddie.
Year 3 - George L & Isla
Year 4 - Molly, Alice & Nate.

A super proud teacher moment....seeing how much effort the children went to producing their art work has been lovely. Thank you to all those that attended our celebration evening, what a great turnout! It was so nice to have the opportunity to chat and see the children enjoying the art workshops, neon painting and construction craft was a hit!

Those that could not attend, your children will be bringing their framed work home.

There is still time to pay on SCOPAY if you need to - thank you.

SCHOOL PARKING

I have received a number of complaints this week with photos of parents parking dangerously.

PLEASE be mindful of where and how you park.

We appreciate your support.

Could parents please be mindful of what social media/communication platforms your child is accessing and the age restrictions.

Could you also remind your child that they should NOT pass on another child's number/details without their permission.

Summer Clubs

Would you like to help out at an after school club? Please contact Mrs B if you have an interest.

We would love to have you!

Henry would like to introduce the new addition to his family...Mango the gueko!

Medals all around for Finn, Sophia and Alice in year 4 at their gymnastic competition...

A wonderful display of skills beyond the gymnastics - determination, hard work, bravery, resilience, sportsmanship. Such a brilliant experience for them.

whole school homework

The week beginning the 17th March is neurodiversity week. We would like the children during the week of **10th March** to produce a presentation *'All about me!'*

This can be celebrating their likes, their hobbies, their favourite holiday, their family, a pet...anything about them! This could be a picture, a poster, a PowerPoint, a photo or a speech.

It could also be a time to talk about their neurodiversity. How ADHD affects them, what triggers them, how their ASD affects their play, what their neurodiversity means to them and maybe some famous people that also share in their neurodiversity!

The children will have the opportunity to present (but will NOT be made to share!)

Being neurodiverse can be challenging and sometimes when their peers find their responses to situations different, it can be frustrating.

Having the opportunity to talk may lead to a better understanding.
