

The children in year 3 and 4 learned about what it would have been like to be at school in Henham around 1900, played some Victorian games (hopscotch and hoops) and found out what it would be like if they didn't know the answer to a question!

Congratulations!

Well done to Olivia and Davey in year 4 who were joint winners of Mrs B's 'The Secret Door' writing competition. Myla (Yr6) and Finn (yr 1) as runners up too. Mrs B loved reading all the writing, thank you children

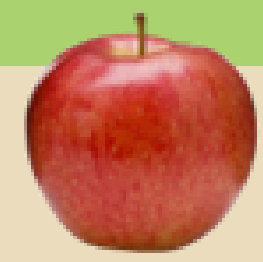

GARDENING CLUB

This week, Gardening Club did some apple identification. We learned about the varieties: red delicious, golden delicious, royal gala & pink lady. We did a taste test and then we had to find their hidden name stones in the curiosity cops. The Head Gardener award went to Poppy W who found the hidden Head Gardener Shell.

★ HEAD GARDENER ★

"My favourite apple was the golden delicious because it was crisp and tasty." Christopher, Year 1
